Mattapoisett Officers Mount Bike Patrol

It's like a scene from a movie: two youths are creeping behind the back of a building when they quickly crouch down and extract cans of spray paint from a backpack. As they are about to swirl graffiti on the wall, an unnoticed police officer calls out: "Stop! Police!"

The officer is mounted on a bicycle, wearing a helmet. He was able to approach the two kids from behind, virtually unnoticed. Had he been driving in a police cruiser, the kids would have dispersed at the first sight of a headlight, or the tell-tale sound of the engine.

"It's really helped a lot to deter vandalism," said Mattapoisett Police Officer Paul Magee of his department's new bike patrol. "We've been able to sneak up on kids and

they don't even know we're there."

"It was an idea based on the current trend in law enforcement to facilitate police patrols on bikes," agreed Officer Mary Lyons. "Mattapoisett is the first small town to start a bike patrol in this area ... a lot of bigger areas like New Bedford and Brockton have had them for some time."

Indeed, there are many advantages associated with the bike patrol which the Mattapoisett Police Department began implementing on Memorial Day weekend. Thus far, seven of the department's officers have been trained and have participated in the new program which was first suggested by Safety Officer Magee.

"I got together with (Officer) Robert Boivin and (Officer) Mary Lyons and we proposed the idea to (Chief James Moran)," Officer Magee said. "Chief Moran helped us put the proposal together and approved the program. Our committee then worked out all the logistics and put together the specs to purchase the bikes."

Once funds were secured, the department went to The Village Peddler in Fairhaven (formerly of Mattapoisett) and purchased two new, specially marked GT Karakaram 21-speed mountain bikes, fully equipped with lights and carry bags to tote flashlights, ticket books,

and other police paraphernalia.

"I thought we'd give it a shot," said Police Chief James F. Moran. "We've been using it only as a third party detail service because it's perfect for going in and out of small areas ... and it's beneficial for anything that you can't get a cruiser through. So far, I think the bicycle patrols have worked very well."

The Mattapoisett Police Bike Patrol made its first appearance this summer at the Rochester Memorial Day Boat Race and has since worked assorted details such as the Mattapoisett Road Race, the town's Fourth of July festivities, Harbor Days, and the weekly Wharf Dances. With only two bikes available, the patrol is limited to special, third-party details where police cruisers would otherwise be cumbersome.

"One of the major advantages of the bike patrol is

quick access to the center of town," agreed Officer Boivin.
"It works well during special events ... and also makes it
easier to sneak up on someone, since they don't expect you
on bikes."

"We can patrol areas we never could with cruisers," said Officer Magee. "It certainly makes our patrols a lot more effective. We used to have a foot patrol on Water Street ... but that was cut to save money a few years ago. I'd like to see if we can get a bike patrol in that area to take over for the walking beat. We're now looking into getting some grant monies and federal funding for the patrol."

In addition to Officer Magee, six other Mattapoisett Police Officers have gone through the initial training process to be certified as bike patrol participants and were instructed by Sgt. David Mello of the Dartmouth Police Department, who was also responsible for kick starting the bike patrol at UMass Dartmouth. They include Officer Robert Boivin, Officer Mary Lyons, Officer Mitch Suzan, Officer Robert Dumas, Officer Anthony Days, and Officer Matthew McGraw.

"Training for this is a lot more involved than you might think," said Officer Magee. "You can't just jump on the bike and go. If you're trying to effect an arrest on someone, you have to learn how to approach them, how to dismount from the bike, and how to secure the bike if you need to leave it."

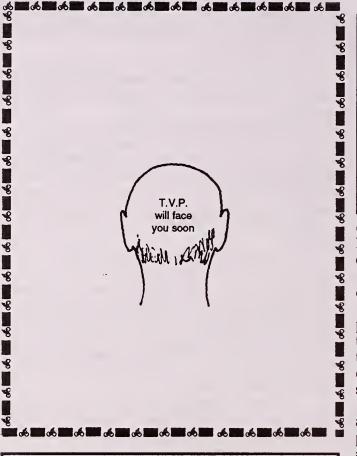

Officers are also required to wear special uniforms which consist of a light, golf-style shirt which has been silk-screened, shorts, a badge and full duty belt with police equipment. Most importantly, however, helmets are also worn by every officer on duty. "We'd like to set an example for the kids," Officer Magee said.

Although the bike patrol has only been used for a short time and on a part-time basis, the benefits of this new branch of law enforcement have been readily apparent. With an increase in population and activity

during the summer months, the Mattapoisett Police Bike Patrol in covering large scale events and curbing nocturnal crimes — especially vandalism.

But there have also been some other positive effects, both on the department and town residents.

"The kids in town are really interested in the bike patrol," Officer Magee said. "They think it's pretty cool that we're out riding bikes. They all want to know what type of bikes we're using ... and are always asking questions about the equipment, where we get them, what speeds they are."

"A lot of times, you'll drive by people in a cruiser and they'll just wave," agreed Officer Boivin. "Now people who wouldn't ordinarily talk to you, stop and talk about the bike. It's really boosted our community involvement."

Officer Magee also noted that other area towns are following Mattapoisett's lead in instituting a bike patrol. Recently, both Fairhaven and Marion have started using bike patrols for short-term duty.

Although the bike patrols have been very successful at covering part-time events during the busy summer season, everyone agrees that bikes won't replace cruisers on a full-time basis.

"In a town like Mattapoisett, I can't see bike patrols replacing cruisers," Chief Moran said. "But certainly in the center of town, during the summer

months, with all the activities going on, the bike patrol has really worked out well."

"A big city like Brockton has bike patrols almost year-round now," said Officer Magee. "They have winter uniforms. But I don't know if we'd see it here as a full-

time, year-round thing."

Officer Magee and his fellow bike patrol members are looking toward seeking additional funding for their fledgling program — either through state or federal grants. If more monies are available, they hope to increase use of the bike patrols, as they are more cost-effective when compared to the operational and maintenance costs involved with police cruisers.

"We hope next year to be able to expand our

patrol with whatever grant money is available," Officer Magee said. "Not only does the bike patrol increase community interaction — where we don't have to be closed up inside a patrol car — but it's also healthier and provides exercise."

With an increased interest in biking, all members of the Mattapoisett Police Bike Patrol have advised residents to register their bikes with the Police Department.

"We encourage people to register their bikes with us ... and it only costs 25 cents," said Officer Magee. "We take down all the information and issue a sticker. This gives us a way to identify the bike and the owner. We recover a lot of bikes and have no way of knowing who they belong to. The more information we have about the make, model and serial number, the easier they are to recover."

Mattapoisett Selectmen's Meeting August 2, 1994

By Bethany Morgan

A regular meeting of the Mattapoisett Board of Selectmen was call to order on Tuesday, August 2 at 7:20 pm by Chairman John N. DeCosta. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Melody Mills.

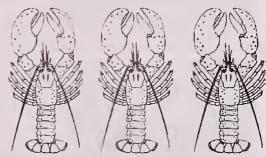

Following the signing of the payroll and bills, the board approved the minutes of the July 26, 1994 meeting of the board.

The board appointed Michael B. Moreau of West Hill Road to the position of Assistant to the Harbormaster for weekend duty. Harbormaster Steve Mach had requested the additional staff to use as an alternate as well as emergency staff.

Plymouth County Cooperative Extension group invited the board to a "Special Opening Night Event" at the Marshfield Fairgrounds on Friday, August 19 from 7:00 to 9:00 pm. This 4-H activity incorporates the theme, "Celebrate 80 Years of Cooperative Extension Programming." Selectman DeCosta will be attending.

Massachusetts Department of Revenue informed the board of the 1994 tax rate to be \$12.38 for the town.

An application was received from the Acushnet Apple/Peach Parade Committee to participate in the 15th Annual Acushnet Apple/Peach Festival Parade. The board will be escorted through the September 11 parade in a vehicle selected by Chairman DeCosta. The parade begins at 10:00 am and leaves from Pope Park.

Continental Cablevision informed the board that "to increase coverage of our phones, the customer service telephone lines for both the Marion and Middleboro systems will be answered in Middleboro." The new telephone number is 763-4700. Customers will be notified via the August billing.

Also from the Massachusetts Department of Revenue, the board received information regarding minor changes to the FY95 Cherry Sheets. The board noted a loss of \$684 for a total of \$14,249 in Mosquito Control Projects and an increase of \$20,080 for a total of \$233,387 in Lottery funding.

The following areas remain closed to shellfishing: Ryecroft Point; Mattapoisett Boat Yard; Crescent Beach; Hiller Cove; Town Docks; Mattapoisett River; Eel Pond; North Buzzards Bay; Creek East of Molly's Cove; Cove Creek; Angelica Avenue Creek; and Pine Island Pond.

The Selectmen discussed a proposal by John Shockro, Recreation Director, to reinstate lifeguards, swimming lessons, along with maintenance for the town beach. The Selectmen will, in working with Mr. Shockro, construct an article for this fall's Special Town Meeting that will outline both financial responsibilities and service for FY 1996.

The Selectmen also discussed the painting of the Shipyard Park Gazebo. Mahoney's Building Supply Company will be donating the recycled paint of which the board happily accepts on behalf of the town. Harbormaster Steve Mach suggested to the board that he would ask the Lion's Club for suggestions regarding the labor.

The board voted to allow for the use of the town beach parking lot for a wedding reception given by the Duff's of Water Street. The reception

The asbestos has been removed successfully and the cables that will provide a variety of interactive services will be completed, along with the new ceiling, by September. There is a question as to whether the boilers will be installed and running by the first few weeks of the school year, "but is should not be a problem," Mr. Lambalot said.

new procedural policy which Selectman Dickerson had put together for the town's Animal Control Officers. Chairman Schaefer commended Selectman Dickerson on putting together the lengthy report, and noted that it should serve as a better outline of the town's policy in these matters.

"The only comment I have is on the section governing care and feeding of animals," Mr. Pickles noted. "I'm afraid under these new regulations, the Animal Control Officer will be prohibited from feeding the animals beef scraps as he has in the past."

But Selectman Winters felt the new regulations should be followed. "It's my understanding that raw meat is not good for these animals," he said. "I'd rather see them fed regular cat and dog food."

The board agreed to postpone final approval and acceptance of the regulations until both the Animal Control Officer and his Assistant had time to review them.

The board also unanimously approved to post a section of Water Street near Vine Street as a "No Parking" zone, effective immediately. Chairman Schaefer noted that the area has become quite congested of late and upon a recommendation from the Police Department, they felt it would be best for safety reasons to post the no parking signs.

At 7:20 pm, the board met with Jeffrey Dickerson regarding the Silvershell Beach Basketball Court Project. Mr. Dickerson noted that due to the overwhelming popularity of the sport as part of the

town's recreation program, he feels it should be given proper attention. "Over 325 individuals participate in the winter basketball program held at Sippican School," he said. "In our Recreation Program, I'd say that basketball is probably number one or number two in popularity."

As such, Mr. Dickerson and his committee are proposing a more elaborate and structurallysound basketball court be installed at Silvershell Beach to replace the former one which has been replaced by natural wetlands as part of the town's Stormwater Remediation Project.

The new court will be designed with a parquet floor of cement and will include vandalproof rims and poles. Mr. Dickerson said he talked with the town's Department of Public Works (DPW), and they agreed to assist in the construction. He has also secured the services of Joseph Marini, who will perform the masonry work. The new court will be located directly behind the Silvershell Beach House in the wooded area that was destroyed by Hurricane Bob.

With these new plans in place, Mr. Dickerson said he was asking for the Board's approval and support in establishing a fund to collect donations for the project, which will cost an additional \$7,000 over and above what was allocated at the last Town Meeting.

"We'd like to be able to get this project up and running before the end of the summer," Mr. Dickerson said. "I hope we can raise the money

The Board of Selectmen agreed to support his efforts and noted that the Town Clerk will establish an account for this purpose. "I think it's great and I think you'll do well in soliciting donations for this project," said Chairman Schaefer. "We certainly would be happy to set up a fund for donations."

Those interested in donating to this cause should contact the Recreation Committee or Town Hall for further information.

Sippican Lands Trust to discuss making the Little Marion Golf Course property a permanent conservation trust.

"The owners of the course would like to keep the property as it is," Mr. Paulsen said. "We'd like to make sure that it never falls into the hands of a developer. So we are deeding the building rights over the town, making it conservation land in perpetuity."

Mr. Paulsen explained that the potential development of the 61-acre lot would not be financially beneficial to the town and would, in fact, cost more in potential town services and educational expenses.

With that, the board unanimously agreed to accept a Conservation Restriction from the Marion Harbor Trust, allowing the property known at the Little Marion Golf Club to remain conservation land forever.

"We all stand to gain and benefit by your forethought," said Chairman Schaefer. "It is a most generous gift to the town, and we appreciate all your work."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:20 pm.

Rochester Selectmen's Meeting August 1, 1994

758-3711

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 1 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After unanimously approving the minutes of the July 18 meeting of the board, Chairman Hughes began reviewing incoming correspondence for the week, beginning with a notice from the Massachusetts Department of Revenue informing the board that the town's estimated Cherry Sheet figures for fiscal year 1995 have been revised.

For Rochester, two noticeable changes affected both the final estimate of lottery aid and money which will be expended for cities and towns within mosquito control districts. Originally, it was estimated that Rochester would receive only \$188,501 in Lottery Distribution Aid. That estimation has been increased by \$20,329 to \$208,830. However, the town's estimated Mosquito Control Charges for the next fiscal year decreased from \$19,237 to \$18,425 — a decrease of \$812.

In addition, Rochester will be receiving \$2,712 more in Tuition for State Wards in estimated receipts under the Old Rochester Regional School District.

Paige, P.C. next sent a copy of his response to Town Accountant Claudette Coutu regarding overtime payments for town employees. Ms. Coutu had requested whether a town employee who works in more than one department should be paid overtime if his/her total hours (under both positions) surpass the standard 40 hour per week mark.

According to Mr. Marder in his letter: "In my opinion, you may not require employees to waive their statutory rights to overtime. Nor, in my opinion, would such a waiver be enforceable. The statutory requirement for payment of overtime for police is 171 hours in a four week period (43 hours per week) and for fire 212 hours in a four week period (53 hours per week).

"There may be other contractual obligations that are secured by town by-laws or union contracts that require the payment of overtime earlier than the required Fair Labor Standards Act."

Selectman Hawkes wanted to know if that meant certain town employees — who do not work for either the police of fire departments — had to be paid overtime for the hours which exceeded 40. "For example, (one person) works 40 hours per week for the Highway Department and 8 hours for the Communications Department," she said. "That would mean we have to pay him overtime for the additional 8 hours."

Chairman Hughes said he interpreted Town Counsel's letter to mean just that. "He claims we cannot require them to waive their rights to overtime pay," he said.

Town Accountant Claudette Coutu concurred with Chairman Hughes' assessment. "That's how I interpret it, too," she said. "But the way I read it, their hourly rate doesn't change ... so do we pay them time and a half based on their full-time position, or on their part-time position?"

Selectman Hawkes moved that Ms. Coutu be able to contact Town Counsel to clarify some of the intricate details of this matter and also asked her fellow board members to contact the various department heads involved so they can be prepared to allot this overtime in

their new fiscal budgets. "They haven't budgeted for this and I think they should be contacted," she said.

At 7:15 pm, Bette Harte came before the board to discuss the upcoming Family Fun Run, a fund raiser for the Rochester Memorial School which her business, Bette J. Harte Insurance, is sponsoring. The 5-kilometer run will be held on Sunday, October 9 beginning at 10:30 am (rain date: October 16) outside Memorial School. As the event has been sanctioned by the Rochester School Committee, Ms. Harte wanted to know what needed to be done to hold the race on town roads and if she could count on the participation of fire and police personnel.

"The idea is just to raise money for Memorial School," she said. "It's not really a competition. But prizes will be awarded and have been donated by several local vendors. We're also going to offer five minutes minimassages at the finish line to all the contestants."

Chairman Hughes noted that Ms. Harte should contact both Police Chief Walter V. Denham and Fire Chief Joseph H. Clapp regarding their participation. As for holding the event on town roads, the Board of Selectmen unanimously voted to sanction the event, and agreed to participate as well. "We'll all be there with our sneakers on," said Chairman Hughes.

At 7:20 pm a Pole Hearing was held on a petition from New England Telephone to relocate a jointly-owned pole on North Avenue. The pole needed to be moved in order to allow a resident to install a driveway to his

property. There being no abutters present to protest, the board unanimously approved the pole relocation.

The board then met with Bill Towers, who had expressed interest in serving as an Alternate Member on the Board of Appeals. As all three Selectmen said they knew Mr. Towers, there was no reason to question him any further. The board unanimously appointed Mr. Towers to fill the vacancy on the Board of Appeals as an Alternate for a term to expire on April 30, 1995.

The board received confirmation and forms for their State Highway Aid for fiscal 1995 in the amount of \$574,032.60. On that same note, Selectmen unanimously signed and approved two copies of the contract to begin repairs on Hiller's Bridge and Mary's Pond Road, a project

The board also unanimously approved payment of an invoice to Hastings-Tapley Insurance Company in the amount of \$6,280 to renew the town's Police and Fire

Insurance Policy for 1995.

At 7:35 pm, a Transfer of Liquor License hearing was held with Gibbs Bray, Stephen Souza, and Attorney Don Correia present on behalf of the Plumb Corner Market. Mr. Bray, the owner of the property, is transferring the liquor license over to Mr. Souza, who will serve as the store's new manager. The transfer will also entail the taking over of the adjacent fish market, which will be incorporated into the store's total square footage.

The only concern that Chairman Hughes had in approving the transfer was over the selling of liquor on Sundays and what steps could be taken to section off those

coolers.

"What we can do is put a yellow rope to lock off those coolers and shroud the area where wine is displayed," said Mr. Souza. "It would certainly be done so as to send a message that these items are not for sale." With that, the board unanimously approved the license transfer.

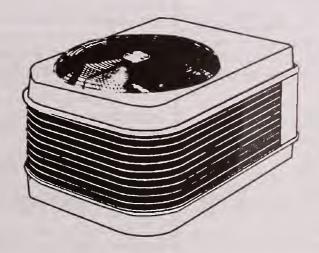

Under New Business, Chairman Hughes asked

what his fellow board members wished to do in relation to the existing Council on Aging van. Selectman Murphy said he would like to put the vehicle out to bid, but both Chairman Hughes and Selectman Hawkes agreed it would be better to trade it in and use the \$1,200 toward the purchase of the new van.

Ms. Ferreira also recommended that the board approve the purchase of a new photocopy machine for Town Hall in the amount of \$6,805, including a \$525 copier contract. The board unanimously approved Ms. Ferreira's recommendation.

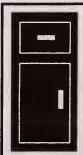

Chairman Hughes noted that the Police Department's new cruiser had been purchased and was recently put into service. He asked his fellow board members what their wishes were for the existing vehicle. Selectman Hawkes said she would like to keep the vehicle as a back up unit. But Chairman Hughes was adamant about disposing of said cruiser.

"I don't mind keeping the cruiser, but I won't approve any money for repairs," he said. "That car has cost us too much money already. I think we'd be better off

getting rid of it."

With that, Selectman Murphy moved that the vehicle be put out to bid at a minimum of \$300, which was seconded and passed via majority vote, with Selectman Hawkes in sole opposition. Those interested should submit bids to the Board of Selectmen, c/o Town Hall no later than August 29.

The board also noted that they are still looking for candidates to fill a vacancy on the Board of Health. Interested applicants should send a letter and resume to the Board of Selectmen, c/o Town Hall no later than August 15, as the board will be meeting that night to appoint a replacement.

Finally, Chairman Hughes asked that the board advise Police Chief Walter Denham to look into Business Management courses as per their suggestion. Money has already been allocated in the budget for this purpose, and they would like Chief Denham to inform them of what classes are available. A motion to this effect was passed via majority vote, with Selectman Hawkes in opposition.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening

SHOULD YOU ACCEPT FIRST OFFER?

Many people who sell a house encounter the "first offer" dilemma. It can involve a trying decision. Sellers often turn it down, hoping for something better, only to find it turned out to be the best offer they received.

This is where the advice of a real estate agent can be particularly helpful. The agent can tell you how realistic the offer is and whether the deposit that accompanies it represents good faith.

Since there is no way to know how many offers will be received or the order of value, the offer should be judged on the seller's and agent's

knowledge of the house in question and the market. The depth of that knowledge will help protect the seller against the natural reluctance to accept the first offer and against regretting a decision that was not based on sound judgement. Remember, most good offers come early in the selling game. If it's a fair one why pass it up?

portion of the proceeds, along with the portion contributed by the eleven artists in the show, is heartening indeed. Our education and advocacy work to save the bay is thus strengthened and expanded.

We thank one and all who blended their talents to make the exhibit such a success — the Rogers' who assembled and sponsored the show, and the artists who participated. Also, we thank the three donors of the door prizes for the opening: John (Andy) Anderson, and Louise Rogers of Mattapoisett, and Joyce Stratton of Woods Hole. Sincerely,

Legislature Passes Mattapoisett Dam Repair

The Massachusetts House of Representatives completed final enactment of the Capital Bond Bill this week which included authorization for \$250,000 in replacement and repair work for the Mattapoisett River Dam on Route 6 in Mattapoisett. The measure now goes to the Senate for final action before being sent to the Governor's desk.

Rep. William Straus (D-Mattapoisett), author of the amendment providing for the Mattapoisett project, expressed his satisfaction with the action taken by the House. "The repair of the Mattapoisett dam is important for the control of flooding in town and for the protection of one of the Fairhaven water pumping stations located

nearby," he said. "As a result, there is benefit to both communities in completing this project."

According to William Nicholson of the Mattapoisett Water Department, the repair project has been under review for several years.

The Bond bill also includes \$300 million in road repair monies for cities and towns throughout the Commonwealth. However, the list of eligible projects under that portion of the bill may now include equipment purchases and bike paths. Mattapoisett is eligible for \$335,226 from the measure, and Marion is to receive \$211,814.

Gulf Vets Get Free Health Exams

The Veterans Administration is encouraging veterans of the Persian Gulf War who may be concerned about possible environmental exposures in the Gulf region to take advantage of VA's health monitoring program. While an aggressive research program continues to clarify the nature of any ill health patterns in such veterans, services are being offered today, including a comprehensive physical examination and lab tests. These are FREE to any concerned Gulf veterans by appointment in every VA medical center.

In addition, a new law requested by VA simplifies high-priority access to follow-up care for veterans with any condition that VA physicians think could stem from the Gulf environment. Already, 16,025 vets have taken part in the examination protocol.

While veterans often have described a wide variety of symptoms that are common in primary care medicine — including fatigue, muscle aches, joint pain and skin rashes — VA has not fully documented a specific illness or pattern of disease pointing to the cause or causes of these symptoms.

VA's Medical Research Service recently provided supplemental funds for several VA medical centers to expand investigations in such areas as cognitive functioning and immunological status of Persian Gulf veterans. VA also has asked its researchers throughout the country to develop new ideas for research projects aimed at Persian Gulf veterans and environmental hazards, with a request for proposals drawing more than two dozen submissions last month.

When we age, our bodies become less effective in dealing with prolonged exposure to the heat. Heat stress places a strain on the body, and if the strain becomes too great, it can cause serious and permanent damage, even death. Preventative measures should be taken in order to avoid heat stress.

Certain medical conditions and prescription drugs can make you more vulnerable to heat stress. Those who have high blood pressure, diabetes, a weak or damaged heart, infection sunburn, who are overweight, or who have had a previous stroke are at a greater risk of falling victim to heat stress. In addition, those who take medication for sleeplessness, high blood pressure, nervousness, depression, or poor circulation are also more susceptible to heat stress. If you fall into either of these categories, consult your doctor or pharmacist for advice.

Temperatures of 90 degrees Fahrenheit and above can cause heat stress, especially when the humidity is high. Some early warning signs of heat stress are: loss of appetite, lack of energy, fainting, and cramps. Some advanced and more serious symptoms include: chest pains, dry skin (no sweating), dizziness, rapid heartbeat, diarrhea, nausea, throbbing headache, vomiting, breathing problems, confusion, and weakness.

If you experience any of these symptoms during periods of hot weather, contact your physician or other medical assistance.

Remember, heat stress can be prevented by allowing your body time to adjust to the warmer temperatures (it takes most people four to seven days to become accustomed to warmer temperatures), spending time in cool surroundings, using fans and air conditioners, avoiding exertion, taking cool baths or showers, staying inside during the hottest time of the day, drinking a lot of

Mattapoisett Teachers Attend Workshop

Mattapoisett teachers Elizabeth Cooney, William Spark, Kathleen Evans, and Karen McQuillan attended a summer workshop on Biodiversity held from July 5 - 15 and presented by the Museum Institute for Teaching Science (MITS).

The mission of MITS is to promote the teaching of science, mathematics, and technology through participatory, inquiry-based methods. MITS seeks to accomplish this by means of workshops, conferences, resource exchanges, and publications in support of the professional development of teachers and staffs of cultural institutions and adult learning centers.

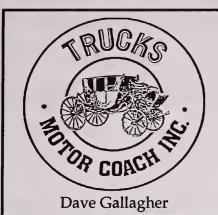

In southeastern Massachusetts, the workshops were facilitated by museum educators from the following museums: The Lloyd Center for Environmental Studies, The New Bedford Whaling Museum, The Waquoit Bay National Estuarine Reserve, and The Massachusetts Audubon Society's Attleboro Environmental Program.

Thanks to the generous funding from the Massachusetts Cultural Council, a state agency which also receives support from the National Endowment for the Arts, foundations, corporations, and individuals, MITS is able to provide these workshops to teachers FREE of

"Harvey" was first performed in New York City in the mid-forties and became an instant success. The story follows the adventures of Veta Louise Simmons and her daughter, Myrtle Mae, as they try to separate their uncle and brother, Elwood P. Down, from an unseemly — or, rather "unseenly" — friend, Harvey. Made into a motion picture starring James Stewart as Elwood, "Harvey" has attracted theater-goers of all ages for the past 50 years.

The show's director, Ann Gonzalez of Onset, has gathered together a cast of actors from the rich pool of talent in the area. Starring in the role of Elwood P. Dowd is Charles Murray of Rochester, his sister Veta Louise is portrayed by Sandy Jackson of Wareham, and his niece, Myrtle Mae, is played by Patience McCausland, a recent graduate of Wareham High School.

Also in the cast are Eric Streimer and Jeanne Crowley of Buzzards Bay, Fred Lewis of Rochester, Sean Breault of Dartmouth, Margo Wilson of Mattapoisett, and Sarah Bishop, Victor Soto, and Deborah Norris of New Bedford.

The Globe Theater Troupe, Inc. has been performing for the past six summers at the Rochester Woman's Club and during the winter in various locations with on-the-road productions throughout the region. This August the Troupe will perform at Wareham High School to take advantage of the wonderful air conditioning, the beautiful new auditorium, and its luxurious plush wide seats.

The Wareham High School Auditorium is completely handicapped-accessible and large print playbills will be provided. Wareham High School is located at the end of Viking Drive off Route 6 in Wareham, behind the Wareham Town Hall. "Harvey" is produced in

Marion Antiques Show and Sale

Antiques collectors possess a keen sense of "the timeless." They answer a call as old as time, that urge to possess objects of art which anecdote a specific time and place in history.

Turning back the clock, antiques collectors experience a romantic courtship with art and history. What better place to experience this courtship than at the Marion Antiques Show and Sale which will celebrate its third year this August 19 - 21 at the Stone Gymnasium of Tabor Academy, with a view of Sippican Harbor as a backdrop. For ticket information, call 748-1665. The show will open to the general public on Saturday, August 20 and 21, 11:00 am to 5:00 pm. Admission is \$4.50 per person.

Over 2,000 people will come from throughout New England to attend this show and to visit or revisit Marion, a town perched on Buzzards Bay whose Golden Age of the 1870's and 1880's boasted residents and visitors such as President and Mrs. Grover Cleveland, Henry James, Richard Harding Davis, and his beautiful wife, Cecil Clark Davis, Charles Dana Gibson, Elizabeth Pitcher Taber, Richard Watson Gilder, and Mark Twain.

of Yarmouthport, expert in American furniture; and Hilary and Paulette Nolan of Falmouth, also dealers in American furniture. Also exhibiting will be "Gentlemen's Tools" from Marion, MA, which incorporates the combined efforts of David Arms, Charlie Bascom, and Don Wing.

This show features dealers in 18th and 19th century furniture, Americana, Oriental rugs, porcelains, folk art, silver jewelry, rare books, European antiques, pewter, nautical items, and the like. All antiques exhibited at the show are for sale. This year, the Marion Antiques Show Loan Exhibit will be titled "Sippican Salt and Sound," and will feature photographs and commentary on two "industries" in Marion — the saltworks and the Marconi wireless towers. A wonderful model of the saltworks, built by Ellis Mendell in 1932, will be on loan from the Mattapoisett Historical Society, and it will be on display during the show.

The show will begin on Friday, August 19 at 5:30 pm with a gala preview party which includes cocktails, hors d'oeuvres, and a first chance to purchase some of these treasures. Preview party tickets are \$25 per person or \$20 if prepaid in advance. Preview party tickets also include general admission to the show on Saturday and Sunday.

Sunday is Heirloom Discovery Day. A highly qualified panel of expert appraisers will be on hand from 1:00 to 4:00 pm to verbally appraise any antique article

Methodist Church Flea Market

The Marion United Methodist Church will be conducting its annual August Flea Market on Saturday, August 20 from 9:00 am to 3:00 pm. Included on the church grounds will be many dealers from the surrounding area, a white elephant table, a baked goods sale, as well as food and refreshments in the parish hall. Limited dealer spaces are still available for \$15 each and can be reserved by calling 748-3904. Should the weather be inclement, the Flea Market will be run on Saturday, August 27. The church is located at the corner of County Road and Route 105, just north of Route 195 in Marion.

The Friends of the Elderly

The next SHARE Package will be distributed on September 24. The price of the package has gone up to \$14.50 (\$14 for the food, and 50 cents for administrative costs). All of the people who work at the distribution center are volunteers, but there are a few expenses involved.

The Annual Meeting of the "Friends" will be held on August 22 at 7:00 pm in St. Anthony's Church Hall. All members are invited and encouraged to attend.

celebrate Holy Communion at both the 8:00 am Chapel and 10:00 am Church services on Sunday, August 7.

Many varied interests and career facets mark the Rev. Campbell's life. He now lives with his wife, Dorothy, in Falmouth but has served as Interim Rector and later Priest-in-Charge at the Holy Trinity Church in Nice, France; as an associate at Pro-Cathedral in Brussels, Belgium; and as Priest-in-Charge of the Anglican Church in Waterloo, Belgium. Rev. Campbell also served as a Navy Chaplain for five years.

Besides his career in the church, Rev. Campbell has used his academic education in English literature from Harvard and Syracuse Universities to teach at a lycee and to become chairman of the English department during his years at Tabor Academy. His interest in youth does not end at the classroom door. Rev. Campbell and his wife again have two boys staying with them this summer while they play minor league baseball for the Falmouth Commodores in the Cape Cod League, a group which includes the Wareham Gatemen.

A good neighbor

In today's uncertain world, it's rare that you can find a bank that's been around as long as we have.

It's reassuring to know that the same prudent, conservative approach to doing business and protecting your money that we've practiced since day one is still in effect.

That same approach will

continue to be our policy for the next 150 years, too.

As the old axiom goes, "If it ain't broke, don't fix it.'

LEGAL NOTICES

DEPARTMENT OF ENVIRONMENTAL PROTECTION WATERWAYS REGULATION PROGRAM

Notice of License Application pursuant to M.G.L. Chapter 91 Waterways License Application No. W93-1977. 28 Neds Point Road Trust

Notification Date: August 12, 1994

Public Notice is hereby given of the application by 28 Neds Point Road Trust to maintain an existing seawall at 28 Neds Point Road in the Municipality of Mattapoisett in and over the waters of Mattapoisett Harbor. The proposed use of the structure (s) and/or fill is to provide shoreline stabilization for the protection of existing structures and is a water-dependent use project.

The Department will consider all written comments submitted thirty (30) days subsequent to the "Notification Date" in order to decide whether to grant authorization for the proposed activity pursuant to G.L. Chapter 91. A public hearing may be held upon request by the Municipal Official. Furthermore, a municipality, ten citizen group or any aggrieved person that has submitted written comments may also petition to intervene to become a party before the close of the comment period. Failure to submit such petition will result in the waiver of any right to a adjudicatory hearing. Further information regarding this application may be obtained by contacting the Division at (617) 292-5695. Plans and documents for this application are on file with the Department for public viewing, by appointment only, at the address below. Written comments must be submitted to: John A. Simpson, program Chief, DEP/Waterways Regulation Program, One Winter Street, 8th Floor, Boston, MA 02108. 8/05

For the convenience of patrons, coffee will be served by Ms. Clare Doyle and her committee. Posters have been created by Ms. Jane Welch and Ms. Florence Huetteman is Treasurer for the event.

Project GROW Preschool Applications

Project GROW, the local public school early childhood program, is seeking students for the upcoming school year. Anticipated state grants, combined with local funds, support the operation of the program. through Thursday, and follow the public school calendar. The program is tuition free. Parents are responsible for providing transportation to and from school each day. Efforts are made to assist parents in forming carpools.

Enrollment is open to all children residing in Marion, Mattapoisett, or Rochester who were born between January 1, 1990 and September 1, 1991. Preference will be given to children from low-income families and others in need as determined by the Early Childhood Advisory Council. The purpose of Project GROW is to provide a preschool experience for their child as well as to provide other children with special needs the opportunity to receive service in the least restrictive environment.

Each class consists of up to fifteen students, the majority of whom are students without special needs. The program is staffed by a certified teacher and an aide. As a family-centered program, parents play an active, vital role in the educational experience through a wide variety of parent involvement opportunities. Home visits are also an integral part of Project GROW. The teacher visits each student's home regularly throughout the year.

A recent mailing, based on town census information, was sent to all families with age-eligible children. If you did not receive a mailing, have an age-eligible child, and are interested in this program, you may pick up an application at the Office of the Superintendent of Schools located at Old Rochester Regional High School, 135 Marion Road, Mattapoisett (telephone: 758-2772). Priority will be given to applications received by August 12, 1994.

A PRAYER TO THE BLESSED VIRGIN

O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. A.M.P.

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. K.A.

East Beach in New Bedford. Both experienced and "backyard" players are welcome.

Teams of six to eight players can enter the tournament by soliciting sponsors and raising a minimum of \$300. The tournament will include prizes, a barbecue and refreshments for everyone. Awards will be given to the top teams. Company-sponsored teams are also welcome.

The New Bedford Exchange Club has entered a team and is challenging other area service clubs to do the same, said club President Edward J. Adamowski.

The tournament is part of the Schwartz Center's annual Sports Weekends fundraiser, sponsored by McDonald's of New Bedford and Fairhaven. Also upcoming is a 6.2 mile Walk-A-Thon and Golf Tournament. Both are scheduled for September 11 at the Allendale Country Club.

For registration information for the volleyball tournament or other Sports Weekends events, please call Carol Almeida at 996-3391.

Sports Weekends is the Center's biggest annual fundraiser. Proceeds are used to benefit its programs. The center is a non-profit agency that serves about 400 children annually, providing a variety of services, including rehabilitation therapy, genetic counseling, and Early Intervention Program, and Chapter 766 classrooms. In 44 years of operation, the center has served more than 12,000

Marion Dog Licenses

Marion Town Clerk, Debra M. Blanchette, would like to remind dog owners that their pets must be licensed for the fiscal year beginning July 1, 1994. The cost is \$7 for a spayed or neutered dog, and \$10 for all others, male or female. It is necessary to provide proof of rabies vaccination at the time of obtaining a license. If the dog was licensed last year and the vaccination is still valid, it is not necessary to provide proof again. All dogs three months of age or older must be licensed.

Blood Pressure Clinics

Blood Pressure Clinics for August will be held on Wednesday, August 10 from 1:00 to 3:00 pm and on Wednesday, August 17 from 5:30 to 7:30 pm. Clinics are held at the American Legion Hall on Depot Street and are open to all Mattapoisett residents.

the name signifies. She is a small calico of 9 months, but has accomplished much in her short life span. Animal Umbrella rescued her from the bus terminal area in New Bedford where she was found very scared and hungry.

In less than two weeks she presented the group with five adorable kittens. Being only a five month old kitten herself, "Little Mama" knew very little about motherhood but she quickly learned. All five kittens have been adopted and mom has been spayed, vaccinated, and has even received leukemia shots. She is a gentle, loving cat but somewhat timid. If she will fit into your home, please come and see her by contacting one of the local Animal Umbrella representatives:

Out of the dog house this week are several stellar examples of "man's best friend" which are up for adoption. First is a spayed female black labrador, which is a great dog that gets along with other dogs, cats and children. A nine-month-old pure bred Lhasa Apso is also available from Pat by calling 992-4859. Lastly, a one and a half year old pure bred Pekinese male (fawn colored with black mask) which is trained to papers or outside, is available by calling 758-4987. This lovable animal is sight impaired and needs a quiet, adult home.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.

Rochester Council on Aging

Commodities will be given out on Tuesday, August 9 between 9:00 am and 2:00 pm for one day only. We hope to have at least eight items, so please bring a large bag.

SHINE Counselor Joseph McCarthy is available at Town Hall on Monday through Thursday, from 9:00 am to 2:00 pm to answer your insurance questions or help you with your claims. You can make an appointment by calling 763-8723.

DO IT YOURSELF?

You'll Have Only Yourself To Blame!

Installing a gas or electric water heater is a job for a licensed plumbing professional. Only your plumber can provide the expertise required to do the job right the first time and suggest the right water heater to give you years of trouble- free service and all the hot water you'll ever need.

We recommend energy efficient, versatile water heaters from Bradford White. They are the perfect choice for the value-conscious homeowner. Bradford White water heaters come with a 2-year parts warranty, the exclusive VITRAGLAS tank lining and your choice of a 5, 8, or 10-year product warranty. Bradford White and your licensed plumbing professional, the perfect combination for your peace of mind.
